

First Thing

CD-249

Called by
Andy Pretere

OPENER - MIDDLE BREAK - CLOSER

Four ladies chain 3/4 round the ring you go
You roll away and circle left
I beg of you every morning, night, and noon
Allemande that corner girl and weave the ring
I tell you how much I love you
Swing that girl and promenade
The very first thing every morning baby
And the last thing every night

FIGURE

Heads promenade halfway round there
Down the middle, square thru 4
All the way and now do the right & left thru you know
Veer to the left and couples circulate
Ladies trade, bend the line
Square thru 3/4, swing the corner, promenade
The very first thing every morning baby
And the last thing every night

TAG

The very first thing every morning baby
And the last thing every night
