

# Amazing Grace

CD-267

Called by Dean Crowell

## OPENER - CLOSER

Circle left

Amazing grace, how sweet the sound  
That saved a wretch like me  
Walk around that corner lady, seesaw your own now  
Allemande the corner, going to weave the ring  
How precious did that Grace appear  
Swing the girl and promenade now  
I once was lost but now I'm found  
Was blind but now I see

## FIGURE

Heads (sides) promenade, 1/2 around you go  
Down the middle, square thru go 4  
Go all the way & then do the right & left thru my friend  
Veer to the left and the couples circulate  
Chain down the line, square thru and go 3/4 round you know  
Swing that corner, promenade now  
I once was lost but now I'm found  
Was blind but now I see

## MIDDLE BREAK

When we've been there ten thousand years  
Bright shining as the sun  
Walk around that corner lady, seesaw your own now  
Allemande the corner, going to weave the ring  
We've no less days to sing God's praise  
Swing the girl and promenade now  
I once was lost but now I'm found  
Was blind but now I see
