

## I'm All Right

CD-281

### OPENER

Circle left

Well it's been a long time, glad to see your face  
I knew we'd meet again another time another place  
Walk around that corner lady, seesaw your own  
Men star by the right hand, turn it once around & go  
Allemande left that corner lady, gonna weave the ring you know  
Hey I'm all, I'm all, I'm all right  
Swing your lady round & round & promenade her tonight  
I'm all, I'm all, I'm all right  
I got good old friends here with me tonight,  
so I guess I'm doing all right

### FIGURE

1 & 3 (2 & 4) star thru, pass thru & then  
swing thru, go 2 by 2  
And spin chain thru (girls work down the middle) boys circulate once  
Hey you're doing all right  
Swing thru 2 by 2, boys run to the right  
Tag the line, girls turn back  
Swing and promenade her tonight  
I'm all, I'm all, I'm all right  
\*It's a beautiful day, not a cloud in sight,  
so I guess I'm doing all right

### MIDDLE BREAK

Circle left

We had a lot of dreams when we were younger  
They thought we were crazy but we had the hunger  
Walk around that corner lady, seesaw your own  
Men star by the right hand, turn it once around & go  
Allemande left that corner lady, gonna weave the ring you know  
Hey I'm all, I'm all, I'm all right  
Swing your lady round & round & promenade her tonight  
I'm all, I'm all, I'm all right  
I got good old friends here with me tonight,  
so I guess I'm doing all right

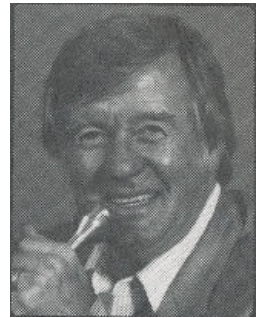

### CLOSER

Circle left

Been singing for my rent, been singing for my supper  
I'm above the below but below the upper  
Walk around that corner lady, seesaw your own  
Men star by the right hand, turn it once around & go  
Allemande left that corner lady, gonna weave the ring you know  
Hey I'm all, I'm all, I'm all right  
Swing your lady round & round & promenade her tonight  
I'm all, I'm all, I'm all right  
I got good old friends here with me tonight,  
so I guess I'm doing all right
