Boogie Woogie Choo Choo Train

OPENER - MIDDLE BREAK

Head ladies center teacup chain

*Santa's got the elves working lots of over time
He's doubled the production on the toy production lines
Too much stuff this year to carry on his sleigh
Got to find a better plan, got to make a better way
All four ladies promenade around that ole ring
Slide thru and promenade around I sing
He said, "This year we're riding on a boogie woogie choo choo train".

ALTERNATE LYRICS

*Rudolph says wait a minute what about me?
Don't leave me sitting all alone at home on Christmas Eve
Santa says, "No way, man, we got to have your nose
To show us all the way, to show us where to go".

FIGURE

Heads/Sides flutter wheel go across that hall
Sweep one quarter more, double pass thru y'all
Track two and then you'll get your ocean waves
Relay the deucey, yeah, you got it made
Now Santa likes to boogie and Santa likes to dance
Swing your corner waiting, promenade with romance
You know Santa Clause is riding on a boogie woogie choo choo train

CLOSER

All four boys promenade around that ole ring
Come back home and swing and whirl your girl I sing
Join your hands circle to the left you will fly
Allemande left your corner then you weave the ring
We've got Dasher and Dancer and Prancer and Vixen,
Comet and Cupid and Donner and Blitzen
We're all going riding on a boogie woogie choo choo train

TAG

Allemande left and ya swing
You know Santa Clause is coming in a boogie woogie choo choo train
