HOW MOUNTAIN GIRLS CAN LOVE

OPENER:

Circle Left. Riding at night in a high cold wind
On the trail of that old lonesome pine.
Walk around that corner lady, seesaw your own
Allemande left and weave the ring.
Get at 'em boys, go back home, swing your lady promenade
Treat her right, never wrong. How mountain girls can love.

FIGURE:

Heads [sides] promenade half way around
Walk into the middle, square through four
All the way and then, right & left through my friend
You veer to the left and ferris wheel
Square through in the middle of the ring and get 3/4 'round
Swing that lady, promenade
Treat her right, never wrong. How mountain girls can love.

BREAK:

Circle left. There's a lake in the hills where my true love goes
That's when she's thinking of me.
Walk around the corner lady, see saw your girl
Allemande left and weave the ring.
Get at 'em boys, go back home, swing your lady, promenade.
Treat her right, never wrong. How mountain girls can love.

CLOSER:

Four ladies promenade, walk around the middle and go girls
Run back home, swing that man around
Join hands, circle left go movin' around
Do an allemande left and weave the ring.
Get at 'em boys, go back home, swing your girl, promenade.
Treat her right, never wrong. How mountain girls can love.
Go get at 'em boys, and go back home
Back to the girl you love.
