Spanish Fandango **STCD-1046**

OPENER, CLOSER

Circle Left now

My Sweet Señorita, My own sweet chiquita

Let's dance to the Spanish Fandango

Men Star Right and you roll it around

Left Allemande the corner, Weave the ring now

I long for your charms, your sweet lovin' arms

Swing your girl, Promenade now

Caballeros will play, señoritas will sway

We'll dance to the Spanish Fandango

FIGURE

Heads Square Thru, four hands will do

Meet the sides, make a Right Hand Star now

Heads Star Left inside that old set

To the corner girl and now Touch a Quarter

Walk and Dodge and a Partner Trade

Boys you Walk Across

Swing, Promenade now

Come on, let's begin, don't let it end

Let's dance to the Spanish Fandango

MIDDLE BREAK

Circle now

Hold me once more while we glide across the floor

It's you I adore my señorita

Men Star Right and you roll it around

Left Allemande the corner, Weave the ring now

In the light of the moon we'll dance to the tune

Swing your girl, Promenade now

Caballeros will play, señoritas will sway

We'll dance to the Spanish Fandango
