

Belles Of Southern Bell

Called By Jerry Hill

MAR-502

OPENER

Sides face, grand square

There's a Southern Bell telephone company in our town

And every afternoon I am out there hanging around

Those telephone operators walking up and down the street

And they never could figure out what I was out there to see

Circle left

Well, I am watching the belles of Southern Bell go by

Allemande left your corner, you gonna promenade and fly

Their hip shaking has got me kicking my heels up to the sky

Watching the belles of Southern Bell go by

FIGURE

Heads promenade and go halfway

Come down the middle, square thru to 4

Four hands and then do the right & left thru my friend

Gonna veer to the left and ferris wheel and go

The centers square thru, gonna count 3/4 round and swing

Swing the corner lady and promenade

Their hip shaking has got me kicking my heels up to the sky

Watching the belles of Southern Bell go by

MIDDLE BREAK - CLOSER

Four little ladies promenade go moving round the ring

Gonna come on back and swing with your man

You join hands, circle to the left around you go

Do an allemande left your corner, weave the ring

Well, I am watching the belles of Southern Bell go by, by, by

Dosado the lady, you gonna promenade and fly

Their hip shaking has got me kicking my heels up to the sky

Watching the belles of Southern Bell go by
