

I Think I'm In Love

Called By Robert Townsend

MAR-512

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
I think I'm in love
Oh lawdy, lawdy, think I'm in love
She's done started a thing that's driving me insane
And I'll never be the same
Four ladies promenade one time around
Swing that man and promenade
I don't know about tomorrow
But tonight I'm in love

FIGURE

Heads square thru get 4 hands around you go
Make a right hand star and go
Heads star left, turn it once around
Same two go right & left thru
Star thru, slide thru, pass thru
Left allemande and then swing the next and promenade
I don't know about tomorrow
But tonight I think I'm in love

TAG

I don't know about tomorrow
But tonight I know I'm in love
