

I Get The Blues

Called By Robert Townsend

MAR-515

OPENER - MIDDLE BREAK

Four ladies promenade one time inside, come back and swing
Well you swing with this guy
You join all your hands, circle left and then
Left allemande the corner, gonna weave that ring
You try to hurt me but it ain't no use
Swing that girl, promenade for me
You try to hurt me but it ain't no use
I can't even get the blues

FIGURE

Heads promenade travel 1/2 way round you go
Come down the middle and star thru, pass thru and then
Touch 1/4, walk & dodge and go
Boy run right, girl turn back, go right & left thru
Flutter wheel go straight across, slide thru and swing
Swing that girl and promenade
You try to hurt me but it ain't no use
I can't even get the blues

CLOSER

Sides face, grand square
I try to worry like I did before
Nothing happens then I walk the floor
I toss and turn, then I fall asleep
Every time it's not too deep
Four ladies promenade, you're gonna move in the middle of the hall
Then come back one and swing, swing the girl
Allemande and promenade that ring
I try to worry but it ain't no use
I can't even get the blues

TAG

Four ladies promenade, come back home and swing
And get the blues
