

Bye Bye Love

Called By Robert Townsend

MAR-519

OPENER - MIDDLE BREAK - CLOSER

Four ladies chain straight across that ring you go
You turn and chain them back, you're gonna send that lady home
Join hands and circle, you're gonna move it around the ring I say
Allemande that corner girl, you're gonna weave around that ring
There goes my baby with someone new
You're gonna swing, promenade her too
She sure looks happy, I sure am blue
Goodbye to love now, bye bye love

FIGURE

Heads square thru in the middle of the ring
Go all the way and do the right & left thru, and you turn that girl
You roll away, pass thru and u-turn back
Touch 1/4, girls fold and double pass thru
Peel to the right to a line, slide thru, right pull by to the corner
Go allemande left you know, come back and you promenade
Bye bye love, bye bye happiness, hello loneliness
Well I think I'm a-gonna cry

ALTERNATE LYRICS

I'm through with romance, I'm through with love
I'm through with counting the stars above
She was my baby till you stepped in
Goodbye to romance that might have been
