OPENER - MIDDLE BREAK - CLOSER

4 ladies chain go across that ring
Roll away, circle left and then
4 ladies roll away, gonna circle left and go
Now allemande left, gonna weave that ring
Well we sleep all day and play all night
Swing the little lady, promenade and hold her tight
Well we raised a lot of Cain, and we made a lot of noise
Everybody knew that we were Bayou Boys

Round that corner there, do a dosado
