Old Dogs, Children, & Watermelon Wine

Q-1858

Called By Ken Burke

OPENER - CLOSER

Circle left

**Ever had a drink of watermelon wine?" he asked

The men star right one time you go

Left allemande and you weave

**He said, "I tried it all when I was young...

(and in my natural prime)"

Swing your lady and promenade

And now it's old dogs and children

And watermelon wine

FIGURE

Heads square thru 4 hands you know

You make a right hand star

Heads star left one time and go

Do the right & left thru

You roll away, both hands single circle

Swing your corner and promenade

Now it's old dogs and children

And watermelon wine

MIDDLE BREAK

Sides face, grand square

Old dogs care about you

Even when you make mistakes

And God bless little children

While they're still too young to hate

Allemande and weave

Ain't but three things in this world

Worth a solitary dime

And that's old dogs and children

And watermelon wine

ALTERNATE LYRICS

*I had to catch a plane up to Atlanta that next day

**That night I dreamed in peaceful sleep

of shady summertime
