OPENER

Four ladies promenade, one time around
Get back and swing your man go round
Join hands, circle to the left around and go
Do an allemande left and you weave the ring
I wonder how, I wonder why
You told me about the blue sky
Swing your girl, and you promenade
I'm turning my head up and down
I'm turning, turning, turning round
All that I can see, is just a lemon tree

FIGURE

Head couples promenade half way around
Down the middle and then pass the ocean, extend
You swing thru tonight, and the boys run to the right
Bend the line and do the right & left thru
You flutter wheel go all the way and then slide thru
Swing that girl and you promenade
I'm turning my head up and down
I'm turning, turning, turning round
All that I can see, is just a lemon tree

TAG

All that I can see
All that I can see
All that I can see is just a lemon tree
