Circle left

We call them cool

Those hearts that have no scars to show

The ones that never do let go

Left allemande, dosado with your own

Left allemande the corner, weave around the ring

Standing outside the fire

Standing outside the fire

Life is not tried, it is merely survived

If you're standing outside the fire

FIGURE

The heads promenade you go halfway round the ring

Rock in and square thru go four hands round I sing

Go all the way, right & left thru and turn the girl

Veer to the left and ferris wheel around 'em and go

Square thru go 3/4 'long

Swing with the girl and promenade

Life is not tried, it is merely survived

If you're standing outside the fire

TAG

Swing the girl

Life is not tried, it is merely survived

If you're standing outside the fire
