OPENER-BREAK-CLOSER

Heads Lead Right, Veer Left, Chain Down the Line
Turn the Girl and you Flutter Wheel and go, all back out
Circle Left go walking around the room, Men Star by the Right,
go to the Corner girl, Allemande Left and Weave the Ring
I loved her and left her, but I can't forget her
DoSaDo and Promenade
My heart's sad and blue, 'cause I walked out on you
Tonight Reno's coming back home
