

If Tomorrow Never Comes

AMR-101

Called by Bengt Bula Ericsson

OPENER - MIDDLE BREAK

Sides face, grand square

Yes, I know that the way we lived is breaking your heart

And it don't help that I'm always away

Circle left

Yes, I know that deep down inside I just can't hide

Allemande left, promenade

This feeling that the love's slipping away

FIGURE

Heads square thru and go

Four hands around and then all dosado

Swing thru, boys run, ferris wheel

Pass thru, slide thru, square thru 3

Swing that girl and promenade

As if heaven has sent them just for you

CLOSER

Sides face, grand square

Did I tell you that I love you?

Did I tell you that I need you so?

Did I tell you that the sun shines

Wherever you go?

Circle left

Did I tell you that the stars shine from the border across the Rio Grande

Allemande left, promenade

As if heaven has sent them just for you

ALTERNATE LYRICS

I can tell by the look in your eyes

You're worried about me

You're wondering

If our love's all in vain

But don't think I don't care

About the way you feel

There is something I think you should know

TAG

As if heaven has sent them just for you
