

She Comes Around

BBP-102
Called By Len Christiansen

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

This has to be handled so carefully

Oh, I don't want her to see how much I care...keep her unaware

allemande and weave

She comes around, she really knocks me out...I know without a doubt, she is the one
swing and promenade

You'd better tie my heart down...when she comes around, she comes around

FIGURE

Heads promenade ya gonna go about halfway

Come down the middle, square thru, count to 4 hands around

Go all the way and do the right & left thru...veer to the left and ferris wheel

Come on and square thru 3 hands around...

swing your corner, and all promenade

You'd better tie my heart down when she comes around, she comes around

FIGURE (ALTERNATE)

Well now the heads square thru and make it 4 hands

You meet your corner, touch 1/4 you know

Walk & dodge, partner trade, right & left thru, turn your girl,

go forward up and back

You'd better tie my heart down when she comes around, she comes around
