

# Lady Down On Love

SIR-606

Called by Jack Borgström

---

## OPENER

Circle left

It's her first night on the town, since she was just eighteen  
A lady down on love and out of hopes and dreams  
Allemande left with your corner, come back a dosado  
Left allemande the corner of the hall and weave around that ring  
She never thought that love could ever end so soon  
Swing that girl around and you're gonna promenade her home  
When he asked her to marry and she gladly said okay  
And a woman came to be, from the girl of yesterday

## FIGURE

Heads you're gonna promenade halfway around that ring  
Come down the middle and square thru 4 hands around  
Go all the way and then a right & left thru and turn  
Veer left and the couples circulate one time around  
Half tag, follow your neighbor and spread  
Swing that girl around, you're gonna promenade her home  
When he asked her to marry and she gladly said okay  
And a woman came to be, from the girl of yesterday

## MIDDLE BREAK - CLOSER

Head ladies center teacup chain

Now she's a lady down on love

She needs somebody to gently pick her up

Allemande left and weave

She's got her freedom but she'd rather be bound

To a man who would love her and never let her down

Swing that girl around, you're gonna promenade her home

When he asked her to marry and she gladly said okay

And a woman came to be, from the girl of yesterday

## TAG

Swing her once or twice

Now she's a lady down on love
