OPENER - MIDDLE BREAK - CLOSER

4 ladies promenade one time around

You're gonna get back home and swing this girl round and round

Join hands and make a ring, you circle left you go round and then

Do an allemande left and weave the ring

(And still you wonder) who's cheatin' who and who's being true?

Swing this girl and promenade her home

Who's doing right with someone tonight

And whose car is parked next door?

FIGURE

Well now the heads square thru 4 hands around you go

All the way, go right & left thru, you turn her you know

You're going to veer left and circulate, you ferris wheel

Everybody do a double pass thru and the leaders trade

You slide thru, square thru go 3/4 round

There you swing this girl and promenade her home

Who's doing right with someone tonight

And whose car is parked next door?
