

On The Road Again

SIR-802

Called by
James Wyatt

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

On the road again, I just can't wait to get on the road again

The life I love is making music with my friends

Oh I can't wait to get on the road again

Allemande left and weave the ring

On the road again

Swing that girl and promenade the ring

Seeing things that I may never see again

Oh I can't wait to get on the road again

FIGURE

The heads square thru

Like a band of gypsies we go down the highway

Dosado

Swing thru and then boy run around the girl

You tag the line, you go all the way thru, you cloverleaf and go

The girls square thru 3/4 round

And you swing, promenade

The life I love is making music with my friends

Oh I can't wait to get on the road again

TAG

Swing her boys

Oh I can't wait to get on the road again
