Circle left

*Tell me why do you love to make me cry
Left allemande the corner, turn partner by the right
Left allemande the corner, come on weave the ring
It seems you try to hurt me in everything you do
Swing that girl around and you promenade
I guess you could call me crazy
But I'm still in love with you

FIGURE (twice for heads, twice for sides)

Well now those heads square thru in the middle
Four hands round you go, dosado
Now you swing thru tonight, let those boys run right
Bend old line, a right & left thru, turn 'em now
Flutter wheel across, slide thru, and the corner swing
It's a hopeless situation
But I'm still in love with you

ALTERNATE LYRICS

*Tell me why is your heart as cold as ice

*Tell me why do I go on believing your lies
