

Loosen Up My Strings

ESP 1032

Caller Elmer Sheffield Jr

OPENER - MIDDLE BREAK - CLOSER

Four little ladies chain, you turn 'em around
Rollaway, circle left go round
Rollaway, circle left I say
Left allemande the corner, weave the ring that way
Boss man, he's got mine in a sling
Swing that girl and you promenade
And I'll be swinging
When I loosen up my string

They'll have a line on me till my fat lady sings

FIGURE

Heads square thru in the middle four hands and go
Dosado that corner, make a wave you know
Swing thru and then we'll spin the top
Boys walk up, square thru 3/4 pop
Chase to the right, swing and you promenade
And I'll be swinging
When I loosen up my string
