OPENER - MIDDLE BREAK - CLOSER

Circle left

Let's begin with the day I met her
How fast this good ol' boy's world got better
Left allemande, turn partner by the right
Left allemande, come on and weave the ring
She's right on the money
She goes direct to my heart
When it comes to lovin' me
She's right on the money

FIGURE

Heads promenade go halfway around
Walk in and square thru, go rollin' around
Four hands around then a right & left thru
Veer to the left and couples circulate
Half-tag then scoot back, do that again
Swing the corner, promenade and then
When it comes to lovin' me
She's right on the money

ALTERNATE LYRICS

Like my favorite song on a new set of speakers
My best ol' jeans and my broken sneakers

A home run pitch running right down the middle
The sweet music made when the bow hits the fiddle
