*Baby why don't we just turn that TV off
Men star by the right one time around
Left allemande the corner, dosado you own
Left allemande and weave the ring
**Well, it might be me, but that's the way I see it
Swing your girl around and promenade
Oh baby, why don't we just dance

ALTERNATE LYRICS

*Just a little bitty living room ain't gonna look like much
Let's turn the light down low

*Why don't you go put your best dress on

**With my two left feet and my two hearts beating

FIGURE

Heads square thru count 'em 4 hands round
You make a right hand star
The heads star left, roll it one time and then
Same pair and do a dosado
Swing thru and then the boys trade
Swing the corner lady round and promenade
Oh baby, why don't we just dance
