

Vincent (Starry, Starry Night)

SIR-710

Called by
Thorsten Geppert

OPENER - MIDDLE BREAK - CLOSER

Circle left

Starry, starry night, oh paint your palette blue and grey
Left allemande your corner today, turn partner right
Do a left allemande your corner and you weave the ring
Shadows on the hills
Sketch the trees and daffodils
Catch the breeze and winter chills
In colors on the snowy linen land

FIGURE

Heads square thru you know
Round the corner lady dosado
Swing thru, come on here boys trade
Boys run right, bend the line,
Forward up and come back out
Square thru roll of three
Swing and promenade for me
This world was never meant for one as beautiful as you

TAG

Swing her now
On the virgin snow, starry starry night
