

Wind Beneath My Wings

SNOW-708

Called by
Maarten Weijers

OPENER - MIDDLE BREAK - CLOSER

Sides face grand square
It must have been cold there in my shadow
To never have sunlight on your face
Allemande left and weave the ring
You were content to let me shine
Swing and promenade
You always walked a step behind

FIGURE

The heads square thru 4
Did you ever know that you're my hero
Dosado your corner girl
Swing thru and then, spin the top
Do the right & left thru and turn your girl
Square thru go 3/4 'round
And you swing, you promenade her
Cause you are the wind beneath my wings

TAG

Four ladies chain over and back
Thank God for you, you are the wind beneath my wings
