

You're So Warm And Tender

SNOW-801

Called by

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
Ever since the day, I heard you say
Why don't you ask me to dance
Wonder how you knew, I wanted you
I'm so glad you gave me the chance
Allemande left your corner, home a dosado
Allemande left that corner and promenade along
You're so warm and tender, make my heart surrender
You're just like a dream come true

FIGURE

Heads (sides) promenade go halfway
Down the middle, square thru go 4
All the way around and then you swing thru
Boys run around the girl and ferris wheel
Square thru and go 3/4 round
Swing that corner lady, promenade along
You're so warm and tender, make my heart surrender
You're just like a dream come true

TAG

Swing her
You're so warm and tender, make my heart surrender
You're just like a dream come true
