

How Much I Love You

SNOW-901

Called by
Wil Stans

OPENER - MIDDLE BREAK - CLOSER

Four ladies chain, now you turn the girl and then
You rollaway and circle left go round
Four ladies roll away, circle my friend
Allemande left with the corner and weave the ring
Tears from your eyes feel like rain in my heart
Swing that girl and promenade
I should have sent you a letter or two
Saying how much I love you

FIGURE

Heads square thru 4 hands around the ring
All the way and then dosado one time you know
Swing thru tonight, boys run to the right
Tag the line all the way through, face right
Wheel & deal and then, you turn thru my friend
Allemande left, come back swing, promenade
Maybe you knew
I was too young to understand

TAG

Swing her there
Saying how much I love you
