OPENER

Sides face grand square
Help me, fellas, I'm feelin' kinda weak
The way I'm livin' just ain't right
I need somebody to watch over me
Do an allemande left that corner, weave the ring
Heaven only knows I don't want to be
Swing the girl around, you promenade 'em home
Won't you send an angel to walk with me
All my blue moon nights

'Round the corner girl you dosado
You swing thru and then boys run right
You bend the line and do the right & left thru
Flutter wheel go straight across and then slide thru
Swing the girl around, you promenade 'em home
Won't you send an angel to walk with me
All my blue moon nights
