

Hearing It In French

SNOW-905

Called by
Wil Stans

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

I met her down in Baton Rouge about a year ago

We were listening to a band that played in Zydeco

I finally got the nerve up to say dance with me

My knees turn to butter when she answered "c'est la vie"!

Four boys promenade, my love just tell me "au revoir"

Turn thru, allemande left, you swing and promenade

She wrapped my heart around her little finger inch by inch

Everything sounds better when you're hearing it in French

FIGURE

Heads square thru now four hands around you do

'Round the corner lady, dosado one time you know

Swing thru and then, you spin the top so neat

Without a stop a right & left thru and turn the girl you meet

You square thru 3 hands around you go

Swing and whirl that pretty little girl and promenade her too

She wrapped my heart around her little finger inch by inch

Everything sounds better when you're hearing it in French
