

## **Life's A Dance** (Cheyenne 405) Chuck Veldhuizen

### OPENER

Circle left

When I was 14 I was falling fast  
For a blue-eyed girl in my home room class  
Left allemande and do a dosado  
Left allemande and you weave that ring  
What she would say, I can't say  
Swing your girl around, promenade that way  
But I learned something from my blue-eyed girl  
Sink or swim you've got to give it a whirl

### FIGURE

Heads square thru 4 hands around you go  
Meet your corner there and do a dosado  
Swing thru and then the boys run right  
You ferris wheel, roll it round tonight  
Pass thru, touch 1/4, scoot back and go  
Swing your corner there, promenade her back home  
Been knocked down by the slamming door  
Picked myself up and came back for more

### MIDDLE BREAK - CLOSER

Circle left

Life's a dance you learn as you go  
Sometimes you lead, sometimes you follow  
Left allemande and promenade her back home  
Life's a dance  
Sides face, grand square and go
