(OPENER:) **SIDES FACE GRAND SQUARE**

People come and people go, Don't you think its best to know
Who you really love, who you love, who you love.

FOUR LADIES PROMENADE around,

Get back and **SWING YOUR MAN** and **PROMENADE** on down
Who you love, who you love, who you love.

(FIGURE: TWICE FOR HEADS, TWICE FOR SIDES)

HEADS (SIDES) SQUARE THRU and go four hands

Meet your corner and **TOUCH A QUARTER** there

SPLIT CIRCULATE, BOYS RUN and then

PASS THE OCEAN and go

SWING THRU and **BOYS RUN RIGHT**

TAG THE LINE and **TURN LEFT** and **PROMENADE** you know

Who you love, who you love, who you love.

(BREAK & CLOSER:) **SIDES FACE GRAND SQUARE**

Well you try, try, try to get what you want

And then you'll try, try, try to get what you need

And then you'll try, try, try to get what you want

Till you got what you need, ooooooo

FOUR LADIES PROMENADE one time around

Get back and **SWING YOUR MAN**

And **PROMENADE** down

And then you'll try, try, try to get what you want

Till you got what you need.
