

## Check Yes Or No (Cheyenne Gold 713) Chuck Veldhuizen

### OPENER

Circle left

It started way back in third grade

I used to sit beside Emmy Lou Hayes

Left allemande and now you dosado

Left allemande your corner, weave that ol' ring

Next day I chased her 'round the playground

Swing your girl and promenade her back home

And Emmy Lou got caught passing me a note

Before the teacher took it, I read what she wrote

### FIGURE

Heads square thru 4 around that ring and go

Now dosado her

Well now you swing thru then

You're going to spin your top, you roll it round now

And do the right & left thru

Square thru 3 hands and go

Swing and promenade

I think this is how love goes, check yes or no

### FIGURE

Heads promenade and go halfway

Walk in and square thru 4 hands I say

Swing thru, and now the boys you run right

You ferris wheel, roll it round there tonight

Square thru 3 hands around and go

Swing with your girl and promenade her back home

And Emmy Lou got caught passing me a note

Before the teacher took it, sides face grand square

### MIDDLE BREAK

Do you love me, do you wanna be my friend? And if you do

Well then don't be afraid to take me by the hand, if you want to

Four ladies promenade

I think this is how love goes

Swing and promenade

I think this is how love goes, check yes or no
