

*Called by Dean Dederman - CHYG-714*

(Opener, Break & Closer:) **CIRCLE LEFT**

\*Ain't nothin' going on in town tonight

Except a loud party crowd having too much cheer

(\*I'm gonna put an old record on

Conway Twitty, "Yeah, girl I love to lay you down")

The **MEN STAR RIGHT** around that set

**LEFT ALLEMANDE** and now you **WEAVE THAT RING**

Grab a couple of glasses and a bottle of wine

(Walk down the hall and then you turn down the lights)

**SWING** your girl around and **PROMENADE** in time

Baby while you're at it you might as well let down your hair

And I can take it from there.

(Figure: Twice for Heads, Twice for Sides)

**HEADS (SIDES) LEAD RIGHT** and then **VEER LEFT**

**BEND THE LINE** and **TOUCH 1/4** across that set

**ALL EIGHT CIRCULATE** and **BOYS RUN RIGHT**

A **RIGHT AND LEFT THRU** and you turn her tonight

**VEER LEFT** and **COUPLES CIRCULATE** one time

**HALF TAG, SWING YOUR CORNER, ALL PROMENADE**

Baby while you're at it you might as well let down your hair

And I can take it from there.

(Tag:) **CIRCLE LEFT ONE TIME** I can take it from there.
