(Opener:) **SIDES FACE GRAND SQUARE:**

Teardrops fell on Momma's note, when I read the words she wrote  
She said we miss you, son we love you come on home.

**ALLEMANDE LEFT, WEAVE THE RING**

Well I didn't have to pack, I had it all right on my back, **PROMENADE**  
I'm 500 miles away from home.

(Figure: Twice for Heads, Twice for Sides)

**HEADS (SIDES) SQUARE THRU** around and go

Meet your **CORNER** do a **DO-SI-DO**

**SWING THRU** and then **SPIN THE TOP** for me, **GIRLS TRADE**

**SPIN THE TOP** one more time and then

**SWING YOUR CORNER PROMENADE** my friend

And I'm 500 miles away from home.

(Break:) **SIDES FACE GRAND SQUARE:**

Can't remember when I ate, it's just thumb, and walk and wait  
And I'm still 500 miles from home.

**ALLEMANDE LEFT, WEAVE THE RING**

If my luck had been just right, I'd be with them all tonight, **PROMENADE**  
I'm 500 miles away from home.

(Closer:) **SIDES FACE GRAND SQUARE:**

Away from home, away from home, Cold and tired and all alone  
Yes I'm still 500 miles from home

**ALLEMANDE LEFT, WEAVE THE RING**

If my luck had been just right, I'd be with them all tonight, **PROMENADE**  
But I'm 500 miles away from home.

(Tag:) Yes I'm still 500 miles away from home.
