OPENER - MIDDLE BREAK - CLOSER

Circle left

*It comes from Mississippi and down in Alabam
Creeping like a fever all across the land
Men star right around the ring you know
Allemande left the corner, weave the ring and go
It's the Hillbilly Rock, beat it with a drum
Swing your lady round, promenade your hon
Keeping up the rhythm, steady as a clock
Swing your little baby to the Hillbilly Rock

FIGURE

Heads square thru 4 hands around
Split 'em around one, make a line of 4
Touch 1/4, boys run, star thru, flutter wheel
Sweep 1/4, star thru and roll
Swing your corner and promenade
Keeping up the rhythm, steady as a clock
Swing your little baby to the Hillbilly Rock

ALTERNATE LYRICS

*Some say it came from Memphis, down in Tennessee
Or it drifted in from Georgia 'bout 1953

*Way back in old Kentucky where the blue grass grows
Through the Carolinas on the dirt red roads

*Burning like a fire, running wild in the woods
From Arkansas to Texas, it sounds so good
