Just off the beaten path

A little dot on a state road map

Left allemande the corner, do a dosado

Left allemande, weave the ring

Down home, where they know you by name

Swing the girl, promenade

Down home where a man's good word

And a handshake is all you need

FIGURE

Heads square thru 4 hands you go

Find the corner, do a dosado

Swing thru, spin the top, boys move up

Right & left thru

Square thru 3/4 around

Swing the corner, promenade

Down home where a man's good word

And a handshake is all you need

TAG

Down home where a man's good word

And a handshake is all you need
