OPENER

Circle left

Hey, wait 'til the sun shines Nellie

When the clouds go drifting by

You walk around that corner girl, now see-saw your own

And you allemande that corner girl, now weave around that ring

Hey, down Lover's Lane we'll wander

Swing and whirl that girl and promenade that ring

Why don't you wait 'til the sun shines Nellie

In the sweet by and by

FIGURE

Well now those heads square thru and take 'em 4 hands around

Hey, round the corner lady dosado and make a wave

You swing thru and then let those boys run right

You bend the line and then right & left thru

Turn the girl, you flutter wheel around and now

Slide thru, single circle, rear back, you swing and promenade

Why don't you wait 'til the sun shines Nellie

In the sweet by and by

MIDDLE BREAK

Circle left

Hey, wait 'til the sun shines Nellie

When the clouds go drifting by

You walk around that corner girl, now see-saw your own

And now the men star by the left hand you roll it along

You turn the partner by the right, go left allemande

Come back swing and whirl that girl and promenade that ring

Why don't you wait 'til the sun shines Nellie

In the sweet by and by

CLOSER

Well now, those 4 boys promenade 'em one time around

Gonna get back home and swing and whirl round you go

Hey, join up hands, circle, walking along

And do an allemande that corner girl, now weave that ring

Hey, down Lover's Lane we'll wander

Swing those girls and promenade, head back home

Why don't you wait 'til the sun shines Nellie

In the sweet by and by
