Circle left

We're not as young as we used to be

Baby I don't mind

Allemande the corner, dosado now

Men star left and stay in time

Turn your partner right and the corner allemande

Dosado and promenade the land

Baby nothin' can compare to the good love that we shared

And if I had to do it all over again I'd do it with you

FIGURE

Heads promenade and go halfway

Sides square thru and keep in time

Go all the way and a right & left thru

eight chain 6 down the line

And if I had to do it all over again

I'd swing my corner girl

Swing and promenade your girl

Promenade her home go walking round you roam

And if I had to do it all over again

I'd do it with you

TAG

And if I had to do it all over again

I'd do it with you
