

Tell Me Why

(KDM-199)

Called by: Chris Froggatt Sydney, Australia

Opener

(Circle left)

Everywhere I look the sun is shining

Four men star by the right

Go one around that ring and then

Allemande left, weave the ring

I can see, you've really got a hold on me

Swing, promenade

A fool in love, with a fool who never learns

Figure - twice for Heads, twice for Sides

Heads pass the ocean, extend

Girls trade, swing thru

Boys cross run, chain down the line

Turn that lady you do

Half square thru (two hands), trade by

Corner swing, promenade

I can't say goodbye-eye-eye-eye

Middle break, Closer

(Sides Face, Grand Square)

Ask anyone you know

And they'll say love fades away

But this hearts' cryin' just like yesterday

Allemande and weave

Tell me why-eye-eye-eye (swing, promenade)

I can't say goodbye-eye-eye-eye
