UR-1001

Called By Tim Tyl

OPENER SIDES FACE GRAND SQUARE

A long time ago, when the Earth was green
There was more kinds of animals than you've ever seen
They'd run around free while the Earth was being born
The loveliest was the unicorn – Allemande Left and Weave The Ring
There was green alligators and long-necked geese
Some humpty back camels and some chimpanzees - Promenade
You'll see cats and rats and elephants, but sure as you're born
*The loveliest of all is the Unicorn.

BREAK SIDES FACE GRAND SQUARE

And Noah looked out through the driving rain
Them unicorns were hiding, playing silly games
Kicking and splashing while the rain was pouring down
Oh, them silly unicorns - Allemande Left and Weave The Ring
There was green alligators and long-necked geese
Some humpty back camels and some chimpanzees - Promenade
You'll see cats and rats and elephants, but sure as you're born
*The loveliest of all is the Unicorn.

CLOSER CIRCLE LEFT

The ark started moving, it drifted with the tide
The unicorns looked up from the rocks and they cried
And the waters came down and sort of floated them away
That's why you never see unicorns to this very day
You'll see green alligators and long-necked geese
Some humpty back camels and some chimpanzees - Promenade
You'll see cats and rats and elephants, but sure as you're born
*You're never gonna see a Unicorn
