Some day when I'm awfully low, when the world is cold
I will feel a glow

4 men star right, one time around tonight

Allemande left, weave the ring

Yes, you're lovely, with your smile so warm

Swing that girl, promenade along

Cause I love you

Just the way you look tonight

Heads (sides) square thru 4 hands around we'll go

Dosado the corner girl

Swing thru and then, spin the top

Boys walk up, go right & left thru

Square thru and go 3 hands around I say

Swing the corner girl, promenade along

Cause I love you

Just the way you look tonight

MIDDLE BREAK
