Circle left

By myself all alone with no one to call my own
Til the day I met you in the valley of love
Allemande the corner, then you turn thru at home
Do an allemande left and you weave the ring
I travel the trail with the moon up above
Come on and swing the girl and then promenade
No matter where I'm going, I'll ride alone
Til we meet in the valley of love

FIGURE

Head (side) ladies chain, well you turn there with your girl
Heads you lead to the left and veer to the right and go
Now the boys trade and then girls run around the boy and then
You chain down the line and turn them there
You flutter wheel around you go and then slide thru
Swing the corner girl and all promenade
No matter where I'm going, I'll ride alone
Til we meet in the valley of love

TAG
