GE-1008

Called By Max Ringe

## OPENER

Circle left

There you go invited, here am I  
Oh well you left me here, so I could sit and cry  
Now do a left allemande, and then dosado  
Allemande your corner, weave the ring  
Wind in and out until you meet your maid  
Swing her once and you promenade  
Well golly gee, what have you done to me?  
Well I guess it doesn't matter anymore

## FIGURE

Heads (sides) square thru and count it's four hands you go  
Dosado your corner one time you know  
Swing thru and those boys will run  
Ferris wheel, and when you're through, centers pass thru  
Star thru and you square thru 3  
Swing your corner and promenade  
Well whoops-a-daisy, how you drove me crazy!  
But, I guess it doesn't matter anymore

## MIDDLE BREAK - CLOSER

Circle left

There's no use of me a-crying  
I've done everything, and now I'm sick of trying  
Allemande your corner, dosado  
Allemande your corner and then you weave  
Well you go your way and I'll go mine  
Swing this girl, promenade  
I'll find somebody new and baby, we'll say we're through  
And you won't matter anymore

## TAG

I'll find somebody new and baby, we'll say we're through  
And you won't matter anymore
