

## Let's Groove Tonight

ROC-1111

Called by  
Robert Shuler

Music used by permission. Written by Maurice White and Wayne Vaughn.

### OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

\*Let's groove tonight, share the spice of life

Babe this night's so right, we're gonna groove tonight

Left allemande, weave the ring

Let this groove get you to move

Dosado, promenade her and go

\*\*Let this groove set in your shoes

And start 'em running, whoa now go

### FIGURE

Heads square thru and go 4 hands around

Meet your corner, dosado one time and then

Swing thru two by two, boys run right

Bend your line, right & left thru, turn her tonight

Flutter wheel, and then slide thru

The corner swing, promenade her you do

\*\*\*Just lose yourself, like a star in the clouds in the heavens

### ALTERNATE LYRICS

\*Just tell my DJ to play your favorite tunes

Then you know it's OK what you found

\*\*Let this groove blow out your fuse

It's all right, you can swing her tonight, say whoooo

\*\*\*Gotta let you know girl, what I can do, you're outta sight

\*\*\*I'll be there after while, if you want my love we can boogie

\*\*\*Just boogie on down, down, boogie on down

---
