## Garden Party

WWI-1050

Opener

Circle Left

I went to a garden party

To reminisce with my old friends

The men star right and roll it one time you know

Left allemande and you weave

But it's all right now

I learned my lesson well

You see, you can't please everyone

So, you got to please yourself

Figure (Twice for Heads/ Twice for Sides)

Heads (Sides) Promenade halfway

Square through count four

Go all the way with a right and left through

Veer Left and Farris wheel

Square through three, swing your corner promenade

You see, you can't please everyone

So, you got to please yourself

Middle Break

Circle Left

People came from miles around

Everyone was there

The men star right and roll it one time you know

Left allemande and you weave

But it's all right now

I learned my lesson well

You see, you can't please everyone

So, you got to please yourself

Closer

Circle left

If you gotta play at garden parties

I wish you a lotta luck

The men star right and roll it one time you know

Left allemande and you weave

But it's all right now

I learned my lesson well

You see, you can't please everyone

So, you got to please yourself
