CIRCLE LEFT

The stars they shine for everyone
They gleam there for you and me
Men Star Right – The moon belongs to everyone
Allemande Left the corner – then you Weave the Ring
The flowers in spring, the robins that sing,
The sunbeams that shine, they're yours and they're mine.
And love can come to everyone,
The best things in life are free.

FIGURES

All 4 ladies chain now, straight across that ring
Head couples Pass the Ocean and Extend

And love belongs to everyone,
The best things in life are free.
