Ridin' Down The Canyon

SIO-3038

OPENER-BREAK

CIRCLE LEFT

*Ridin' down the canyon, to watch the sun go down,
*A picture that no artist e're could paint.

Men Star Right

*White face cattle lowin on the mountain side
Pick up your partner arm around – Star Promenade
Girls Roll Back, do an Allemande Left and a Right and Left Grand
Cactus plants are bloomin', sagebrush all across the land
I'll tell you folks it's heaven to be ridin' down the trail,
When the desert sun goes down.

Alternate lyrics for Break

*When the evenin' chores are over at my ranch house on the plain,
*And all I've got to do is lay around.
*I saddle up my pony and I ride off down the trail,

CLOSER

CIRCLE LEFT

Ridin' down the canyon, to watch the sun go down,
A picture that no artist e're could paint.

Men Star Right

White face cattle lowin on the mountain side
Star Promenade
A coyote a whinin' for its mate
Girls Roll Back, do an Allemande Left and a Right and Left Grand
Cactus plants are bloomin', sagebrush all across the land
*I'll tell you folks it's heaven to be ridin' down the trail,
*Just to watch the desert sun go down.

FIGURES

All 4 ladies chain now, straight across that ring
Heads Pass the Ocean and Extend
Spin the Top and go, and when you meet again
Boys Run Right and Wheel and Deal
Boys only Scoot Back – Girls Dodge left
Now all Scoot Back – Star Thru and Promenade
*I'll tell you folks it's heaven to be ridin' down the trail,
And watch the desert sun go down.

*I saddle up my pony and I ride off down the trail,
