Opener

Last night I had the strangest dream, I sailed away to china,
In a little row boat to find ya.
Left Allemande, Turn Partner Right,
Allemande Left, Weave the ring.
Ain't nothin' gonna break my stride
Swing your girl, and ya' Promenade
Oh no, I gotta keep moving,
Ain't nothin' gonna break my stride
I'm running and I won't touch ground, Oh no, I got to keep on moving.

Figure

Head couples Star Thru, all Double Pass Thru, Centers in,
Cast Off 3/4 'round my friend, Pass thru and then you Bend the line,
Star thru, Pass thru, Slide thru again, Square thru 3 hands 'round
To the corner Swing and Promenade
Oh no, You got to keep on moving. Ain't nothin' gonna break my stride
I'm running and I won't touch ground, Oh no, I got to keep movin'.

Swing your girl, and ya' Promenade
Oh no, I gotta keep moving,
Ain't nothin' gonna break my stride
I'm running and I won't touch ground, Oh no, I got to keep on moving.
