

As Time Goes By

(KDM-208)

Called by: Chris Froggatt Sydney, Australia

OPENER - MIDDLE BREAK - CLOSER

Circle Left

You must remember this, a kiss is still a kiss

A sigh is just a sigh

The Men Star by the Right one time

As time goes by (Allemande Left and Weave)

And when two lovers woo, they still say, "I love you."

You Swing and Promenade

No matter what the future brings

As time goes by

FIGURE

Heads you Tch. 1/4, those Boys Run Right

Right & Left Thru for me

Veer Left, Chain down the Line, turn the girl

Pass the Ocean and then

Scoot Back one time, Scoot Back again

Swing your corner, Promenade

The world will always welcome lovers

As time goes by
